Nightmute Airport Rehabilitation FY2024 Request: \$19,897,812 Reference No: AMD 64967

AP/AL: Allocation Project Type: Construction

Category: Transportation Recipient: NA

Location: Nightmute **House District:** Lower Kuskokwim (HD 38)

Impact House District: Lower Kuskokwim (HD 38) Contact: Dom Pannone

Estimated Project Dates: 07/01/2023 - 06/30/2028 **Contact Phone:** (907)465-2956

Appropriation: Airport Improvement Program

Brief Summary and Statement of Need:

This project proposes to rehabilitate the runway, taxiway, apron and access road, navigational aid access paths/pads, reconstruct the airfield lighting system and dust palliative. The runway safety area will be widened and lengthened to meet Airplane Design Group II standards. The lighting system has been compromised by subsidence, which has stretched the cables and dislodged fixtures. The lighting system is beyond its useful life (10 years). The operational surfaces need repair. There are significant surface variations, distortion, and differential settlement cracking throughout the runway. There are significant depressions and humps on the surface movement area, especially on the area of the runway extension.
